

REMARKS

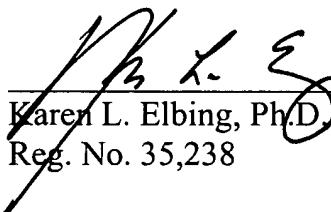

Applicants have amended the specification to indicate the application's priority information, and have cancelled claims 1-34 and added new claims 35-44. The new claims find support in the original claims. In addition, Figures 1 and 2 have been inserted. These figures are identical to those filed in priority application, EP 02022868.0, and are referenced in the specification, for example, at pages 33-34.

No new matter has been added by these amendments.

If there are any other charges, or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,
